VIRTUAL GET-TOGETHER AND DISCUSSION

Please register: https://us02web.zoom.us/webinar/register/WN_HG68vrN2TgiV9W0npNULyw

A symposium with writers and cultural practitioners. The talk series »Some Afterthoughts ...« reflects the perception of global literatures in Germany and Europe.

This event was recorded at Villa 102 in Frankfurt, a platform for cultural encounters by KfW and its foundation. The discussions will be in English with German subtitles and vice-versa in the talk series »Some Afterthoughts ...«. For the virtual get-together, English will serve as a tool for global communication.
